

# FAMILY BIBLE TIME - HEBREWS 10

1. Circle what God is like.

Clean          Tired                  Pure  
                 Bored                      Nasty  
Holy            Funny  
                 Scared                      Crazy

2. Are we clean and holy like God?  
What are we like?

Put some *sticky tape* over the picture of these kids. Then put something messy over them (*paint/mud/shaving cream*). Because we are all stained with sin.

3. 'But those offerings remind people of their sins every year. It isn't possible for the blood of bulls and goats to take away sins.'

Hebrews 10:3-4

Could animal sacrifices take away sin?

Cross out this cow with a *red pen*.

4. 'But Christ offered himself to God without any flaw... his blood [will] wash from our minds our feelings of guilt for committing sin!' Hebrews 9:14a

Which sacrifice washes away our sin?

How does Jesus wash us clean?

Use a *cloth* to wipe the kids (above) clean.

5. Have you asked Jesus to wash away your sin?

Do you sometimes feel guilty when you do the wrong thing?

If Jesus washes us clean, do we need to keep feeling guilty?

6. Talk to God!

Thanks

Sorry

Please

7. Do some *washing up* together. You can just play with *plastic cups* in the water if you want. In youtube, find these songs we've been learning and sing along:
